House Price Prediction

INTERNSHIPS

FMML - International Institute of Information Technology(IIIT),Hyderabad

At IIIT Hyderabad's FMML program, I've delved into Machine Learning leveraging Python, a powerful language widely used in the field. Through hands-on experience and theoretical insights, I've mastered cutting-edge ML techniques, preparing to tackle real-world challenges with confidence. This program equips with the skills to analyze data and build predictive models.
